DAY 1 – Wednesday, October 4th

First steps in Paris

- **8:20am** At your arrival in CDG on flight DL0034, meet your driver for a private transfer to your hotel.
- Check-in at La Reserve, in your Premiere Junior suite with Eiffel Tower view.

- **2:30pm** Meet your guide at your hotel, to go on a walking tour in Le Marais. This area was the heart of Parisian life until the departure of the court to Versailles in the 17th century. Le Marais is now on its way to be the trendiest place of the capital, and is home to a lot of independent boutiques and concept stores, art galleries, and chocolate and pastry shops. To allow more flexibility, you will use Uber or a taxi to change location.
- **5pm** You have a booking at your hotel spa for two jet lag recovery treatments.
- Night in Paris, at La Reserve.

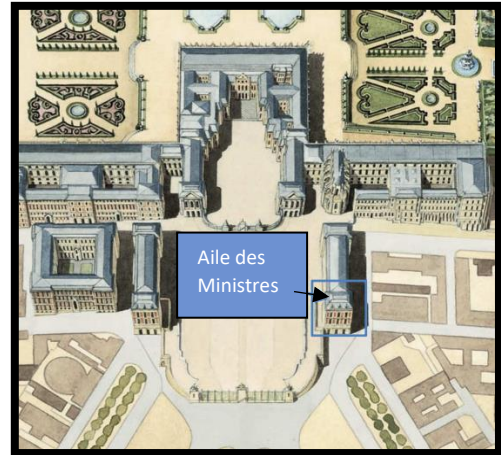

DAY 2 – Thursday, October 5th

Architectural wonders through history

- This morning, we suggest you make your way to Louis Vuitton Foundation in the Bois de Boulogne. Your VIP tickets will allow you to skip any line to enjoy this unique museum. As it is currently between exhibitions, you can go on an architectural journey to discover the creation of the building, well worth a visit in itself.

“I dream of designing a magnificent vessel for Paris that symbolizes France's profound cultural vocation.” Frank Gehry, architect

- **12pm** We suggest having lunch at *Le Franck* restaurant at the Foundation. Please notify your driver if you wish to change location for your 1:30pm pick-up.
- **1:30pm** Meet your driver for a private transfer to Versailles (45-minute drive).
- **2:30pm** Meet your guide at the Aile des Ministres Nord desk, for a private visit to discover the unknown facets of Versailles. Using hidden staircases, you will reach the top floors of the castle to discover another facet of Versailles, made of secret doors and small pathways. Far from the gold decorations and high ceilings of the State Apartments, Kings Louis XV and Louis XVI arranged smaller apartments in these hidden rooms and attics, to escape the crowd of courtiers and the palace etiquette. Nothing here has changed since the Revolution, and the furniture sold away at that time is being returned to the original rooms, for a real immersion into the daily life of the Palace in the 19th century.

- **4pm** After the visit, enjoy the public areas of the castle and park on your own.
- **4:40pm** Meet your driver at the castle for a private transfer back to Paris (45-minute drive). Please confirm the pick-up point with your driver in advance.
- **7:30pm** You have a reservation for dinner at *Bistroy les Papilles*.
- Night in Paris, at La Reserve.
