And what about a stop at the wine auction at the Hospice de Beaune, followed by a night at the Château de Beaune? Unless you'd prefer to create a cuvée in Pauillac with the help of the wine maker of Château Lynch-Bages, or simply take your kids to discover a new region of France.

Each region presents its own distinct journey, with depth and character worth revisiting time and again.

BURGUNDY & CHAMPAGNE

First thing first: wine!

Just a short journey from Paris, Burgundy and Champagne unfold in rolling vineyards and storied villages. Burgundy enchants with the architectural beauty of Beaune and Dijon, alongside centuries-old wineries — some dating back to 1731. Champagne, with its grand maisons, family-owned grower estates, and chalk cellars carved deep beneath the earth, offers its own captivating expression of French savoir-faire.

E&P invites you to experience these regions from every angle — drifting above the vines in a hot air balloon, exploring historic towns, and tasting exceptional vintages at houses usually closed to the public. Both regions make for fabulous long-weekend escapes with friends.

LYON

Gastronomic break

Whether you have been to Lyon before or not, you are probably familiar with the reputation of its bouchons.

True gastronomic capital of France, Lyon is a city full of colours, which was able to renew itself over the years through a variety of cultural initiatives, while maintaining the highest standards in its culinary offering.

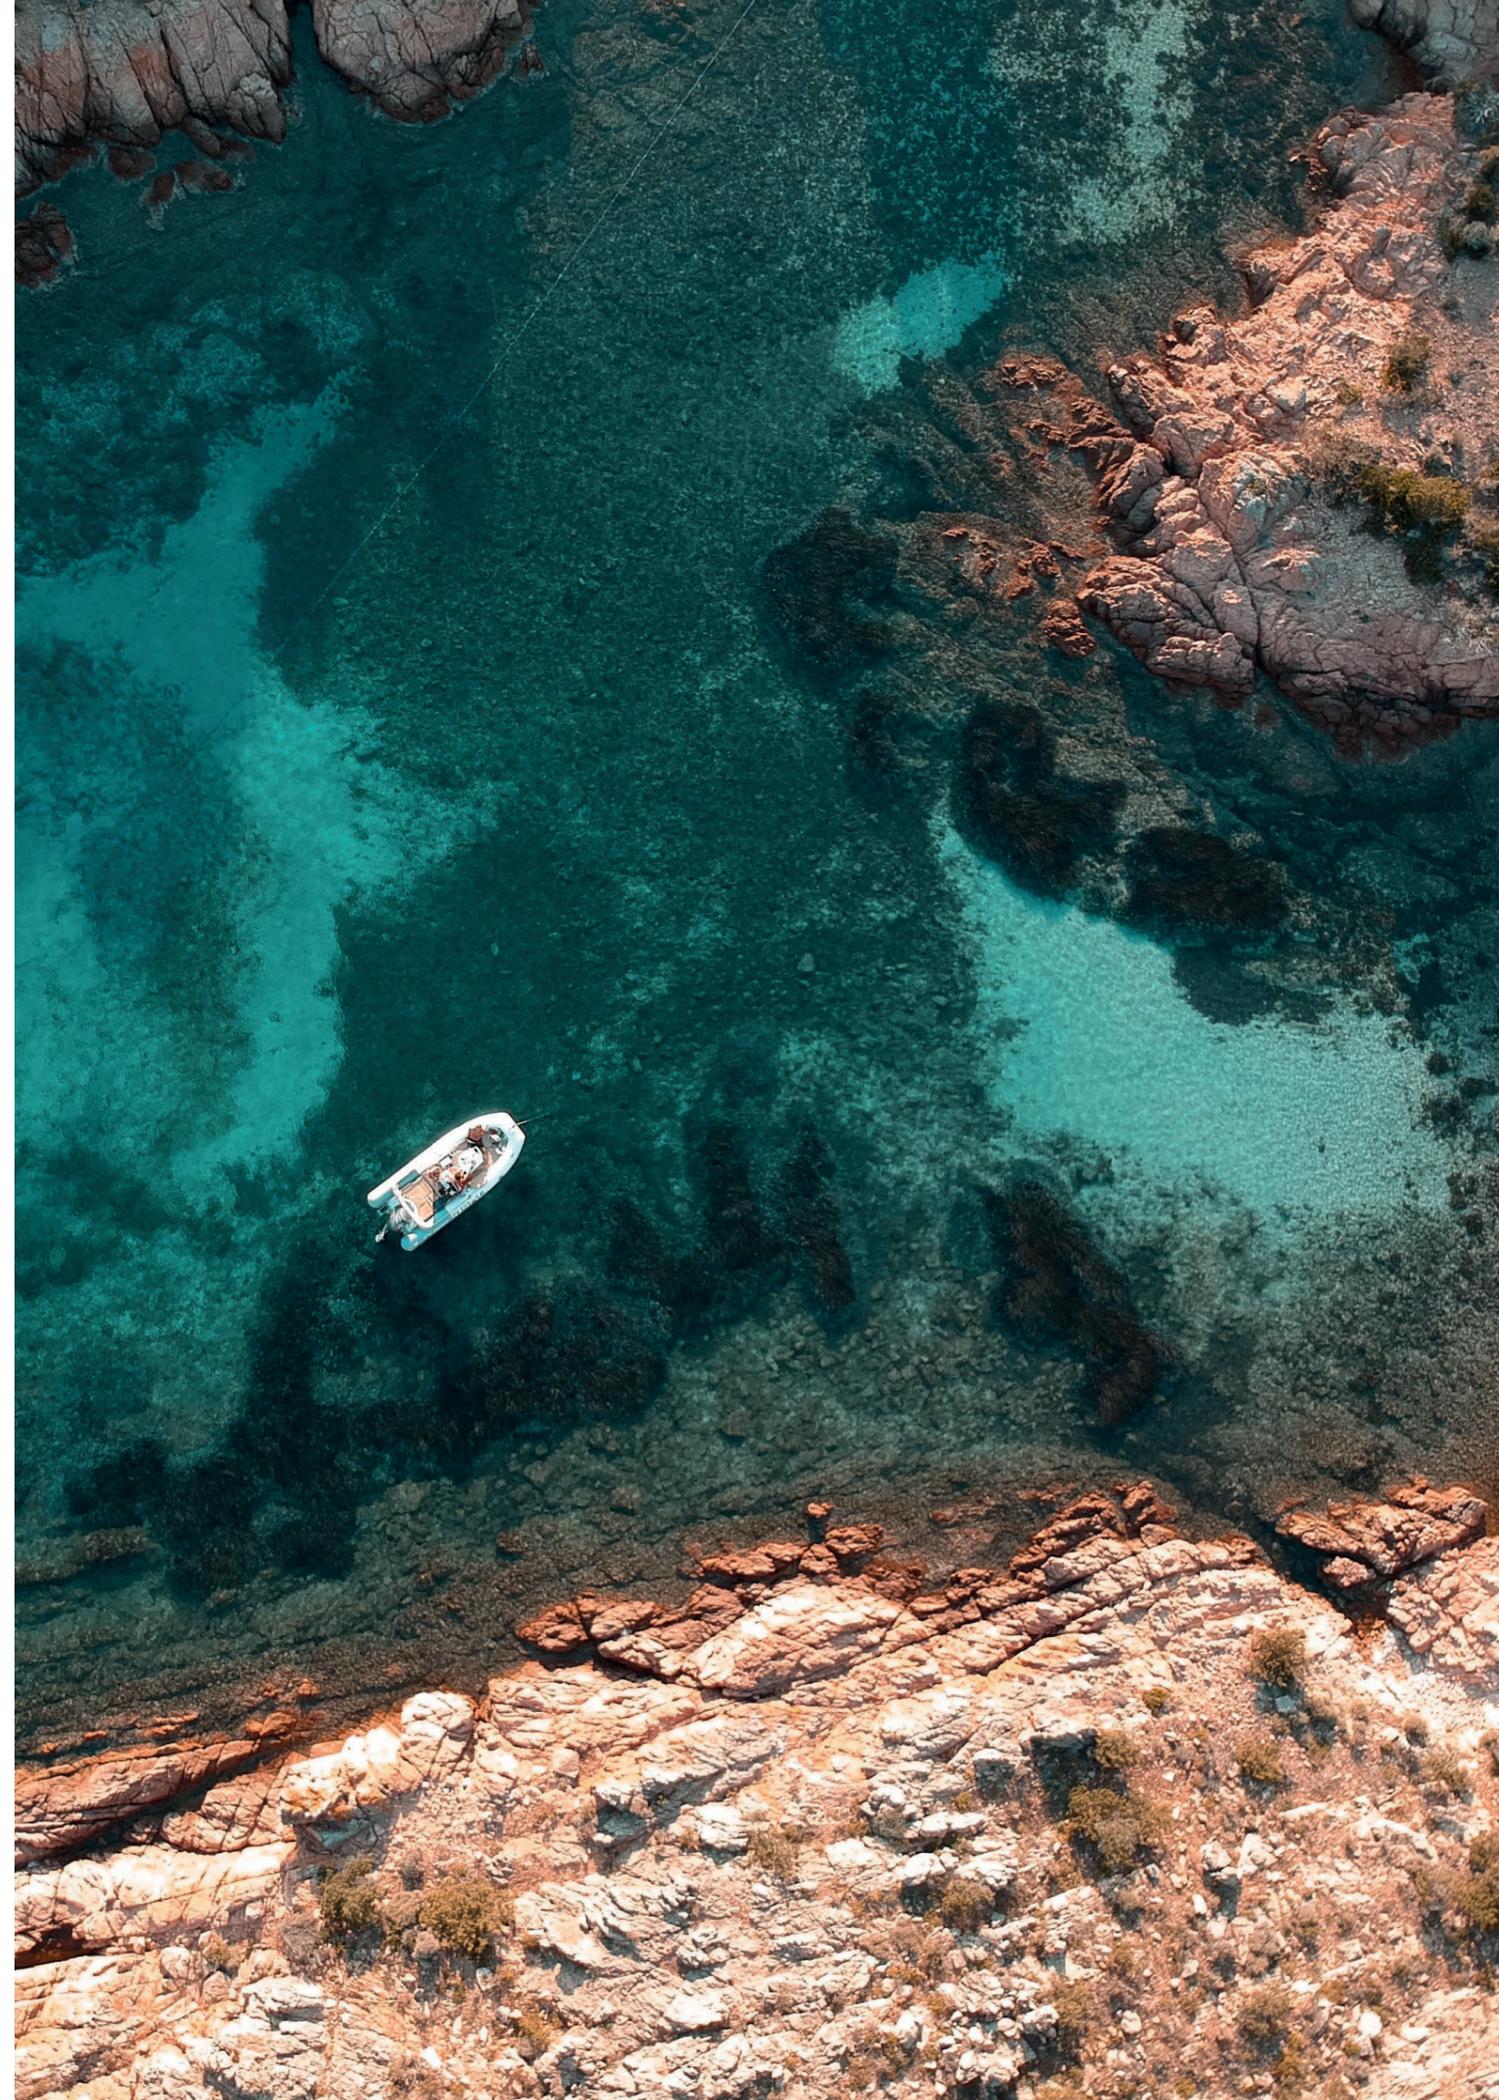

French Riviera chic

Whatever your ideal sunny vacation, Provence has something for you. Some prefer to enjoy family time in a charming Provencal country house, others want to take advantage of the surreal views at E&P's favorite addresses on the Côte d'Azur.

Soak in the sun at the beach clubs of St Tropez, or take in the views of the Riviera from a yacht. Enjoy Provencal cooking classes and olive oil tastings, or trace the steps of impressionist painters like Monet, Renoir, Cezanne and van Gogh led by an art expert. No matter your style, E&P can craft the perfect itinerary.

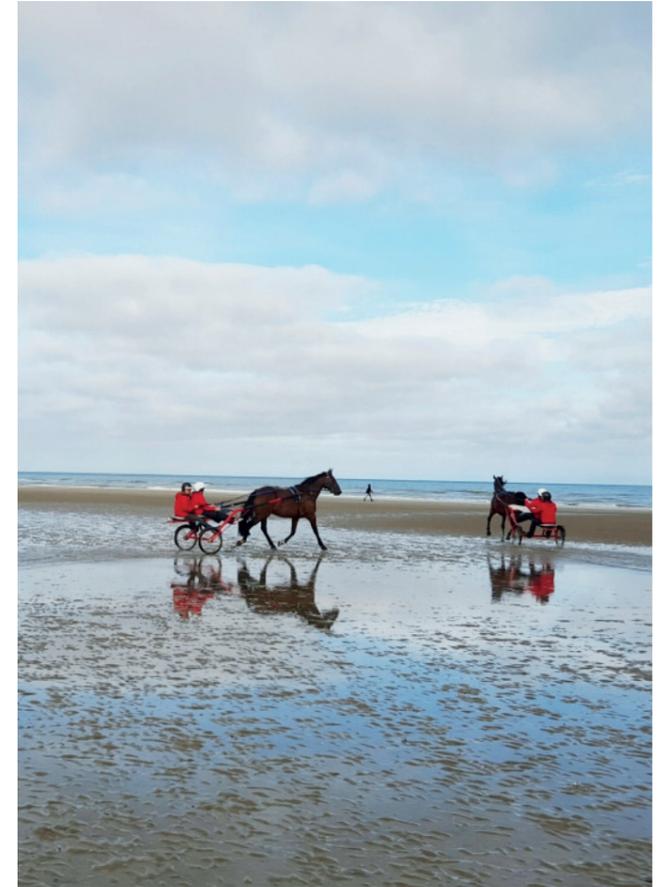

CORSICA

The Corsican wilderness

An ideal playground for the most active among us, the “Island of Beauty” features countless possibilities when it comes to the outdoors, whether it is on land or in the water. Though it’s GR20 long-distance hiking path is famed as one of the best in the world, one can enjoy the island in a variety of ways.

Supplement your sunbathing sessions with a stand-up paddleboard excursion, a bike ride, a sunset cruise, or simply prioritize Spa treatments.

Rediscovering Normandy

A quick stroll from the French capital, Normandy offers an invigorating getaway with its six “Most beautiful villages of France”, the famous Mont-Saint-Michel, Rouen with its Anglo-Saxon influences, and the very chic seaside resort Deauville, amongst other charming scenery.

E&P takes you to the D-Day landing sites aboard a sulky, for a walk amid Monet’s white water lilies and for a picnic in front of the majestic cliffs of Etretat.

LOIRE VALLEY

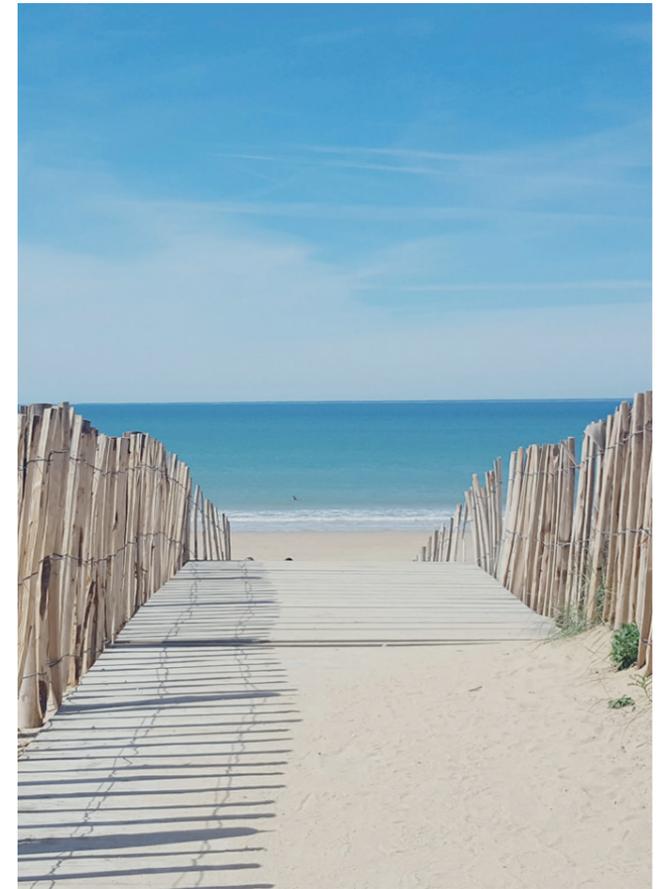

Royally yours

There is something most certainly romantic in the Loire Valley. Chenonceau, Chambord, Amboise or even Cheverny, these enchanting residences tell the history of France amid magical surroundings.

E&P escorts you on a poetic stroll through the perfectly shaped gardens and glorious architecture that have sculpted the image of the country throughout the centuries.

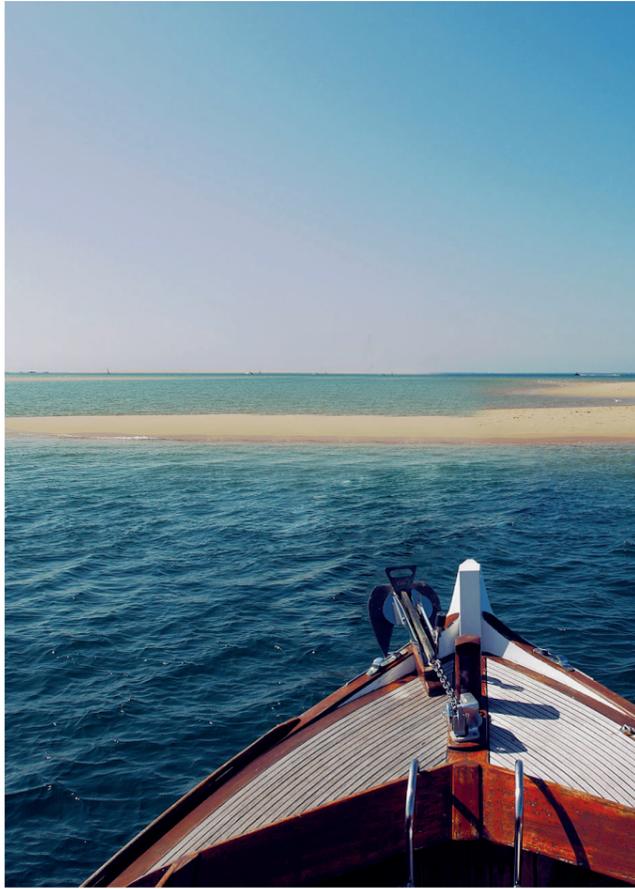

Rushing to the West

Manuel often describes Île de Ré as a French blend of Montauk and Nantucket — a refined yet relaxed escape along the Atlantic coast, where cars are abandoned for bicycles and the island itself invites a deep exhale. Settle into the Hôtel de Toiras, a 17th-century Relais & Châteaux overlooking the harbor of Saint-Martin-de-Ré.

By bike or on horseback, E&P invites you to explore whitewashed villages, lively markets, sweeping dunes, and shimmering salt marshes. As evening falls, take your seat on the terrace and savor the fish selected that morning at the market, simply and beautifully prepared by the chef.

BORDEAUX

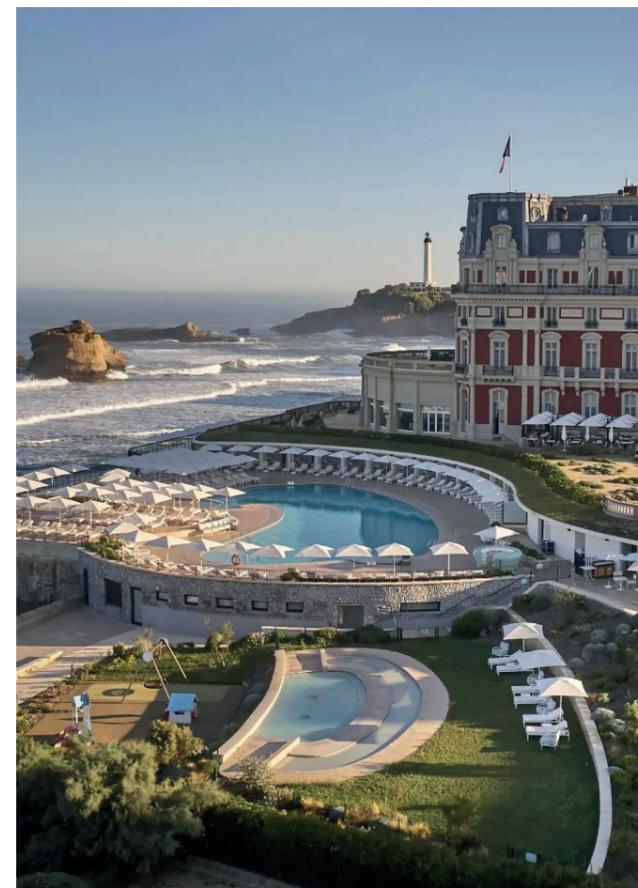

Excellence in Bordeaux

Aboard a traditional pinasse, E&P takes you to the best oyster farms of Archachon, to explore the small islands of the bay and on to the peaceful and charming Cap Ferret.

Inland, we open the doors of the cellars that have been shaping the reputation of French wine for centuries, from Cos D'Estournel to Château Mouton Rothschild and Château Haut-Brion.

Between the two, we would suggest a wellness hiatus at the Spa of the Sources de Caudalie.

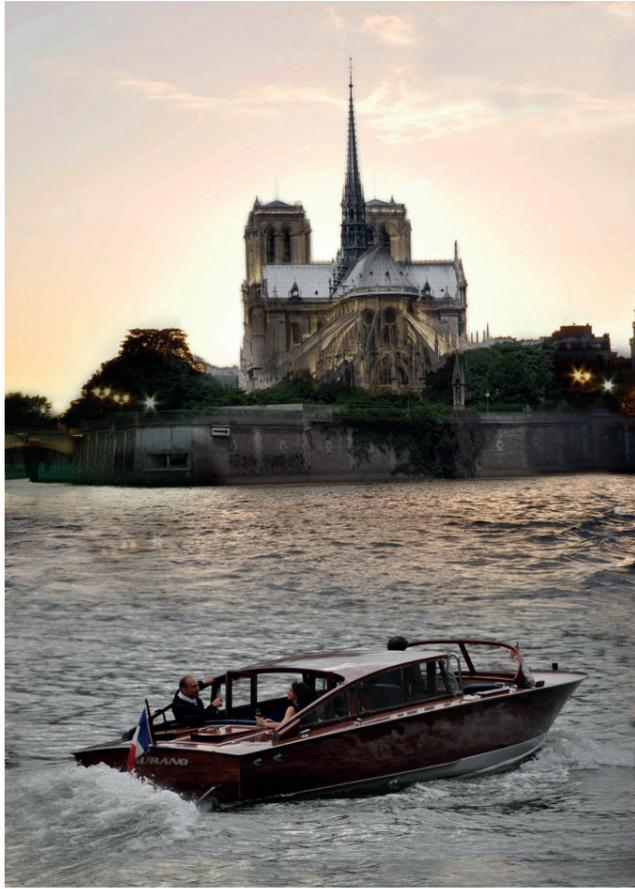

From Biarritz to San Sebastian

E&P takes you (back) to the Basque Country. The region overflows with magnificent little places, all with a very strong cultural identity, from the fishing village of Saint-Jean-de-Luz to the characteristic red colour of Espelette, to the majestic beaches and cliffs of the Basque Coast.

And just on the other side of the Pyrenees mountain range, **San Sebastian** and **Bilbao** grant us with a Spanish jaunt and excellent tapas.

PARIS

A different Paris

Set in the heart of the 8th arrondissement of Paris, our agency has made the capital its playground, providing unique experiences away from the mainstream tourist paths.

Enjoy pre-dinner drinks on a Riva boat on the Seine, wander the off-limits basements of the Louvre, step inside the hidden rooms of Versailles usually closed to the public, explore Saint-Germain through an insider's Parisian food tour, shop the most exclusive fashion designers... Rediscover the City of Lights, the one-of-a-kind Exclusive & Private way.

SEAMLESS PAIRINGS

Our expertise crosses borders just as seamlessly as your journeys. Whether it's a honeymoon along the French and Italian Rivas, an off-site in Tangier, an anniversary at Villa Medici, or a wellness retreat in Marrakesh, our relationships and on-the-ground scouting extend worldwide. We're here to make every step of the planning effortless. Here are 5 of our favorite destinations to pair with France, whether by train, plane or helicopter.

God save the King

London's famously dreary weather? A clever British invention to keep the tourists at bay. Now you know.

Just two hours from Paris on the Eurostar, London is best experienced borough by borough: a stylish brunch in Notting Hill, a shopping escape in Knightsbridge, and late-night energy in the theatres and exclusive clubs of Soho. Exclusive & Private will take you to the very best corners of the city — see you at tea time.

VENICE

Mia dolce Venezia

Step off the Orient-Express and glide along the Grand Canal to an exquisite palazzo, where contemporary touches highlight the beauty of centuries-old frescoes.

Exclusive & Private curates private tours of the most extraordinary Biennale exhibitions, unveils one of Venice's oldest weaving ateliers, and opens the doors to historic palazzi. Meet the Venetian families who have shaped the city for generations, and experience La Serenissima from the inside out.

Vacanze romane

Cacio e pepe, carciofi alla giudia, saltimbocca alla romana, spaghetti carbonara... Rome's culinary icons alone could fill a week — and still leave you wanting more.

Through our trusted local guides, the Eternal City reveals itself warmly and intimately, as only an insider would know it. Wander cobbled streets, marvel at the grandeur of ancient ruins, and lose yourself in the masterpieces that grace its many museums.

MARRAKECH & TANGIER

My time to relax

A signature suite at La Mamounia or the former bedroom of Yves Saint Laurent — choices like these define Morocco's charm. Just a short hop from Europe, days unfold between orange-blossom steam baths, argan oil massages, and leisurely strolls through Marrakech's vibrant souks.

Meanwhile, Tangier offers its own glamour and allure — a tapestry of blue coastlines, artistic heritage, sophisticated interior designers, and hillside palaces facing the sea. Whether glamping beneath Saharan stars or savoring fragrant tagines, Morocco offers experiences that linger long after you leave.
